

# Canyon Ranch - Lenox

---

At the turn of the twentieth century, aristocrats sought fresh air and natural serenity in the Berkshires. Today, groups visiting Canyon Ranch, located in Lenox, Massachusetts, find the same spirit of rejuvenation. The resort's architectural centerpiece, Bellefontaine mansion, houses many components of Canyon Ranch's famous wellness program. Glass-enclosed, climate-controlled walkways protect groups year-round and lead throughout the property, including the 126-room inn, home to a variety of meeting rooms. The area's mountainous surroundings provide ample opportunities for corporate team-building events or leisure activities such as hiking, cycling, kayaking, and skiing.
