

# Lighthouse Inn

---

The Lighthouse Inn is classic Cape Cod. This celebrated seashore region is a national treasure, dotted with beaches and famous for the unique and architecturally intriguing assortment of light-topped structures for which our boutique resort is named. Set on nine secluded oceanfront acres with panoramic views of Nantucket Sound, the Lighthouse Inn is suited for camaraderie, relaxation, and rejuvenation. Guests stay in a collection of Cape-styled guest houses, from charming cottages with ocean views, to quaint multi-room houses pairing private bedrooms with shared spaces perfect for teams and teambuilding. In between meetings, enjoy surf, sun, and fun on our private sandy beach, in our heated pool, on our tennis courts, or on our mini golf course. For an executive retreat with true R&R, it doesn't get better than this.
