

Alden Castle: A Longwood Venue

Demanding corporate meeting planners choose Alden Castle for inspiring decor, ease of setup and location, just minutes from downtown Boston and across the street from green line T-stop. Alden Castle is home to two distinct venue spaces, the Vintage Ballroom and the Modern Club. The Vintage Ballroom, which can accommodate 400 for a reception and 250 for dinner, boasts captivating royal Tudor architecture, silk champagne draperies and dramatic windows that flood the space with natural light. This is the preeminent Boston ballroom for receptions, corporate meetings, holiday parties, and galas. The graciously appointed Modern Club, which can accommodate 300 guests for reception and 150 for dinner, is ideal for board meetings, elegant private dinners, and holiday parties and features original Alden Park Manor royal crests on its dark mahogany walls and perfect balance of new and old. Alden Castle's vintage spaces coupled with the culinary talents of Chef David Blessing's team make for an event that guests will truly enjoy.
